

CSCC log in:

1. Go to csc.edu
2. Click on CougarWeb at the top of the main page and go to CougarWeb for Students
3. If you don't have your log in information, click on "What's my Password" under User Profile on the bottom right. You will be guided through the steps to find your log in information. You will use this same login for Blackboard.

Discover My Login Name / Password	Use this page to change your Student / Employee e-Mail, Campus Computer Login, CougarWeb, Degree Audit, BlackBoard, Colleague UI and CSCC Alert / Guardian password. This page will also allow you to discover your CougarID. When you change your password or discover your login name, your CougarID will be presented.
Discover My Cougar ID	
Forgot My Password	To access your student e-Mail account visit http://outlook.com/student.csc.edu To access your employee e-Mail account visit http://outlook.com/csc.edu
Change My Password	For security, please close your browser after you have used this page to change your password.

Need Help? Call our Help Desk 614-287-5050 Hours: M-F 7:30AM - 10:00PM, SAT 7:30AM - 6:00PM, SUN 1:00PM - 9:00PM

4. Go back to BLACKBOARD and log in. Your course for which you are registered will show up here once the instructor activates it. It may not be until the first day of class that this happens.
5. Finally, click on the EMAIL button at the top of the main page. Follow the steps to access your email and download Office 365 to your phone if you would like.
